

SPECIALTY CLASSES

Different types of classes can offer you and your dog the chance to find out what they may be great at and enjoy doing & help meet your dog's fullest potential. By far though the greatest benefits of taking your dog through a specialty class is the difference in their behavior at home. It helps a dog to have confidence, much like a human when they get their strikes in bowling or hit a home run in baseball, same hormones, and benefits.

Benefits to all types of specialty classes:

- Builds confidence
- Application for previously learned skills
- Enrichment for life
- Problem-solving skills
- Earn titles
- Strengthens bond

RALLY
